

AIT OUFELLA KENZA

—>Young Parisian student in International Relations & Political Sciences, and resulting from a training in communication and events. Passionate about French and international culture, open to the contemporary word and involved, I am looking for a internship in foreign media, diplomacy or political communication. Dynamic and motivated, embodying the joy of live, I have to my credit a lot of experiences, and I think to bring to your team the freshness of youth combined with perseverance and the rigor of my personality.
